SITE NAME: PG+E Gas Plant San Francisco

EPA ID: CAD 981415-714

LOCATION: Bay, North Point, Buchanan &  
Laguna Streets

LEAD: PG + E

RECOMMENDATION:

NO FURTHER ACTION

PENDING

ACTIVE

REFERRAL:

COMMENTS: Site completely paved, no potable water wells nearby. Site doesn't appear to pose any exposure risks, but as no soil or water samples tested, cannot be certain that gas plant residues are not present on site.

Site does not appear to warrant further CERCLA attention. No further action. Paul La Courreye
